5 Year AIM Service Agreement

Your Home Comfort Solutions Inc will perform annual inspections & needed maintenance on listed equipment/system for a term of **5 years at the locked in price** listed above, due at the time of your annual service. Reservations for said service may be made 1 year in advance. Agreement will void 30 days after due date of any annual inspection & maintenance that was not performed due to the client's non response to our attempts of scheduling.

Receive priority emergency service on listed equipment/systems with **no service call fees & 10% discount** on repairs.

Retain a **5 year Parts & Labor Warranty on new installs & repairs** by signing & maintaining an AIM Agreement at the time of said install or repair.

We believe in prevention.

Account must stay in good standing with no past due balance. Please be sure that only Your Home Comfort Solutions Inc technicians perform work on the listed equipment/systems. Evidence against this may result in voiding this agreement and non-agreement costs being imposed. Refusal to approve and schedule maintenance and repairs recommended by Your Home Comfort Solutions Inc to bring equipment/systems into safe operation within the agreed upon time frame may result in voiding of this agreement for that equipment/system. Technicians of Your Home Comfort Solutions Inc retain the right to refuse to work on any equipment/systems listed or not listed, to red flag or make inoperable if we feel there is any concern of safety. Your Home Comfort Solutions Inc retains the right to impose service call & after hour fees if the benefit of waiving them is abused or manipulated.

Both parties have read & agree to the details laid out above. This agreement will remain in effect for 5 years from Agreement Date listed above
